### ※※※ Information ※※※

- ※Please prepare yourself for winter clothes. Warm clothes are not included in the tour fee.
- ※The snow sauna made from snow and ice, the snow sauna may not be available depending on the weather and snow conditions.
- ※The snow sauna is provided with a rented towel and a lending slipper. The sauna is a mixed bathing (it is the culture of Finland) and the local people are basically of bathing with a towel naked, but you can use it after changing into a bathing costume.
- ※The bathing method of the snow sauna is a method of using regular indoor sauna and snow sauna alternately. Moving between the sauna will be a walking walk with clothes while bathing in the sauna (it is a few ten seconds on foot).
- ※Infants, the elderly, those who are uneasy about the health condition do not recommend using the snow sauna. We are not responsible for sudden and accidental outbreak accidents that occurred during the activities of the snow sauna.
- ※We will cancel the tour if it is judged that the tour is impossible due to the weather condition of the day. In addition, the duration time may be changed depending on weather conditions.
- ※Aurora is a natural. So, it may not be able to see it even if a tour is carried out. Please note.
